Heavy- Duty Equipment Technician Apprenticeship – Term Full-Time Position

The MD of Willow Creek is seeking a motivated and reliable Heavy-Duty Equipment Technician Apprenticeship to join our Public Works team. This is a term full-time position reviewed annually with the possibility of becoming a permanent full-time role for the right candidate.

Position Summary

Under the direction of the Shop Foreman, the Heavy-Duty Equipment Technician Apprenticeship will assist with the maintenance, inspection, and repair of municipal fleet vehicles and equipment. This position offers valuable hands-on experience in a municipal environment and an opportunity to develop skills within the heavy equipment trade.

Key Responsibilities

- Equipment Inspection & Diagnostics: Assist senior technicians with routine and detailed inspections of graders, loaders, excavators, trucks, and other heavy-duty equipment, identifying wear, leaks, and mechanical issues.
- Preventative Maintenance: Support scheduled service such as lubrication, filter changes, fluid checks, adjustments, and component replacements to ensure equipment reliability.
- Mechanical Repair Assistance: Help perform repairs on engines, hydraulics, electrical systems, brakes, undercarriages, and attachments under the supervision of certified technicians.
- Shop Tools & Equipment Operation: Safely operate hoists, welders, pneumatic tools, diagnostic scanners, and other shop equipment while maintaining proper care and storage.
- Parts & Inventory Support: Assist with ordering, receiving, organizing, and tracking parts, supplies, and consumables required for maintenance and repairs.
- Field Service Assistance: Accompany senior technicians to job sites to troubleshoot breakdowns, perform mobile repairs, and support emergency response operations.
- Documentation & Reporting: Complete service reports, inspection forms, maintenance logs, and work orders accurately and on time to support equipment tracking and compliance.
- General Shop & Public Works Support: Perform shop cleaning, tool organization, equipment staging, and assist other Public Works crews as required.

Qualifications

- High School Diploma or equivalent
- Enrollment in or eligibility for a Heavy-Duty Equipment Technician Apprenticeship (1st–4th year)
- Valid Class 5 driver's license (Class 3 or 1 considered an asset)
- Mechanical aptitude and interest in heavy-duty equipment repair
- Ability to complete required apprenticeship training and technical schooling.

We Offer:

- Competitive compensation
- Benefits
- Hands-on training and mentorship
- Exciting Opportunity to work in a team-based, supportive environment
- Opportunity for long-term employment
- Fulfilling and Challenging position

Only **e-mail** resumes will be accepted. All resumes must include three professional references. Please forward your resume in care of:

Eric Blanchard - Manager of Public Works
